# Gluten Sensitive Menu

Our gluten-free menu items are prepared in a shared work area that also processes wheat & gluten products. There is always a chance that gluten-free items may come in contact with products containing gluten.

## Where happy oceans and feel good sushi meet.

At Blue Sushi Sake Grill, we're on an endless pursuit to serve creative, fresh sushi while making a positive impact on our Earth and oceans. This means making better informed decisions on our Earth and oceans. This means making better informed decisions on our Earth and oceans. This means making better informed decisions on our Earth and oceans.

Our partnership with the Monterey Bay Aquarium's Seafood Watch®, an organization that shares our passion for sustainable seafood, supports our efforts by providing the groundwork and guidelines that allows us to only serve seafood that is responsibly caught or aquacultured.
